

30.350N

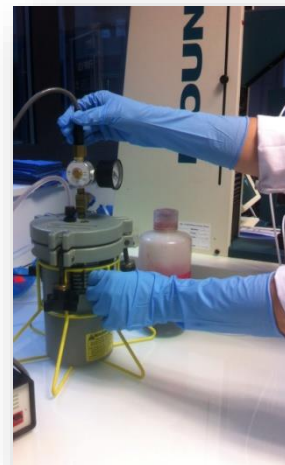

NITRILE SAFETOUCH X'tra BLUE GLOVE – POWDER FREE
CAT III Personal Protective Equipment

FEATURES & BENEFITS

- Feeling like latex.
- Good dexterity.
- Long oversleeve 355 mm.
- Textured fingertips to assure a better grip in wet and dry conditions.
- Provide protection against micro-organisms, radioactive contamination and protects the wearer from tested chemicals.
- Internal /External chlorination to assist threading.

Recommendation:

- Users allergic to latex.
- Glove for professional use.
- In an industrial environment, this glove is designed to protect the wearer from tested chemicals, radioactive particles and microorganisms (bacteria, molds).
- The powder-free glove reduces the risk of airborne contamination and limits the risk of irritation.
